

Acres West Water Processing Systems Inc.

Box 30, Site 2, RR #1
 Priddis, AB, T0L 1W0
 PH: (403) 290-1622
 FAX: (403) 931-2552 (shop)
 (403) 451-9826 (office)
 E-mail: libby.wold@shaw.ca

ARE YOU NEGLECTING YOUR WATER SYSTEM?

WELL OWNERS'

Standard Water System Maintenance Schedule:

<i>Equipment/ System</i>	<i>Maintenance Required</i>	<i>Recommended Frequency (to maintain maximum efficiency)</i>	<i>Risks/Results if Neglected</i>
Reverse Osmosis Filters	Carbon & sediment filter replacement	Approximately every 6 months	Low volume, low pressure, bacteria/bio-film build-up, bad taste
Reverse Osmosis Membrane	Membrane Element replacement	Every 1 – 2 years	Excess waste water flow, low volume, low pressure, bacteria/bio-film build-up, bad taste
Reverse Osmosis Holding Tank	Replace	Every 5 years	Bacteria build-up, waterlogging, low volume, bladder deterioration & air pre-charge loss
Water Softeners	Ion Resin Replacement & Control Valve service	Every 5 years	Hard water, scaling on fixtures, white film on glassware, dry skin/hair, mineral bed channelling, reduced efficiency & control valve jamming
Iron/Sulphur Filters	Mineral Bed Replacement & Control Valve service	Every 3 – 5 years	Sulphur smell, red-brown staining in toilets, sinks, showers/tubs & appliances, metallic taste, stained laundry, plugged/channelled mineral bed, build-up & bio-film, mineral bed solidification & control valve jamming
Ultra-Violet Sterilization System	UV Lamp & Sleeve Replacement	Annually	Contamination of distribution system with micro-organisms, bacteria, e-coli, coliforms, etc.
Well Shock Chlorination	Correct dosage of chlorine injection into well & flush	Annually <i>(as per Alberta Environment)</i>	Reduced well yield, bio-fouling, incrustation, bacteria build-up, sulphur smell & black slime on surfaces
Raw Well Water Testing (Provincial Lab)	Obtain water sample & submit to lab	Twice per year <i>(as per Alberta Environment)</i>	Contamination of distribution system with micro-organisms, bacteria, e-coli, cryptosporidium, giardia, coliforms, etc

Our Services Include:

Water Softeners, Reverse Osmosis, Iron Filters, Ultra Violet, Well Service & Pumps, Pressure Tanks, Chlorination, Holding Tanks, Odor Removal, & On-Site Water Tests
